

Poolient Wallet User Guide

Welcome to Poolient Wallet, your trusted platform for custody staking. This guide will help you understand how to stake your cryptocurrency assets securely and earn staking rewards.

Getting Started:

- Create an account on Poolient Wallet.
- Complete KYC verification as required.
- Deposit supported cryptocurrencies into your wallet.

How to Stake:

- Select the cryptocurrency you want to stake.
- Enter the amount you wish to stake.
- Confirm and initiate staking. You will start earning rewards based on the annual percentage yield (APY).

Rewards & Withdrawals:

- Rewards accrue automatically and are added to your staking balance.
- You can unstake your assets at any time subject to platform policies.
- Withdraw your assets to your external wallet or use them within DeFi as supported.
